

District Geologist

Bring your geoscience, analytical and customer services expertise to the **Ontario Geological Survey's Resident Geologist Program** and join an exciting team in Sudbury's world-renowned mining district. We are one of the Top 100 Canadian Employers of Choice for 2012. We offer excellent health benefits, pension plan and challenging and interesting work in one of Canada's most prolific geological areas.

Working with a team of geoscientists and other professionals, you will:

- collect and interpret geological information in the area
- liaise with and provide geological advice to mineral sector representatives and other stakeholders
- conduct geological field investigations
- maintain and update geoscience databases
- prepare geological maps and reports
- provide geotechnical input into municipal and other land-use planning initiatives

Location: 933 Ramsey Lake Road, Sudbury, Ontario

What we are looking for:

Mandatory requirements:

- current certification or eligibility for certification by the Association of Professional Geoscientists of Ontario
- a valid driver's licence to conduct fieldwork and willingness to travel and work irregular hours
- the ability to conduct field work and traverse rugged terrain and operate field equipment such as ATVs and snowmobiles

Specialized Knowledge:

- knowledge of geoscience and mineral exploration theories, concepts, principles and practices to conduct field investigations, provide geotechnical advice and conduct geological mapping
- the ability to apply relevant policies, practices, program activities and objectives when representing ministry interests on committee work

Communication, Interpersonal and People Skills:

- proven customer service and communication skills including interpersonal, consultation and presentation skills

Other Important Skills:

- demonstrated research, evaluation, analytical and problem-solving skills to conduct field investigations, mineral resource assessments and synthesize geoscience data
- well-developed planning, organizational and time management skills to schedule and assign tasks and activities and ensure tasks and objectives are met on time
- the ability to operate word processing, spreadsheet, geoscientific and presentation computer applications

Salary range: \$1,118.83 – \$1,327.02 per week

Please apply online, only, at www.ontario.ca/careers, quoting **Job ID 40970**, by **February 8, 2012**. *Faxes are not being accepted at this time. If you need employment accommodation, please contact us at www.gojobs.gov.on.ca/ContactUs.aspx to provide your contact information. Recruitment Services staff will contact you within 48 hours.
