

Boreal Prospectors Association

2015 Northern Ontario Mines and Minerals Symposium

"The Shifting Landscape"

Sunset Inn and Suites, Sioux Lookout, Ontario
February 17th and 18th, 2015

Ontario's new Mining Act's regulations are in its 3rd phase and the mineral sector has changed. The BPA will be hosting its annual symposium to update on regulations, current exploration activities and MNDM's capacity initiatives. The 2nd day NRCanada will be hosting a one day workshop on Mining and Economic Development.
